ANNOUNCING THE OPENING OF MARY, OUR LADY OF PEACE MAUSOLEUM

In response to increasing requests, the long awaited and much anticipated, Mary Our Lady of Peace Community Mausoleum, located at Mt. St. Mary Cemetery in Flushing, has been completed. The desire for above ground indoor and outdoor entombment is a matter of preference as the inquiries for purchase have indicated to us. The dignity and prestige of mausoleum entombment is an old custom which had been reserved only for nobility and the wealthy, yet now it is possible for families of average means to arrange this same type of preferred entombment in this community mausoleum. This beautiful mausoleum has been created from the most durable of materials and will always be an enduring shrine to our loved ones for generations to come.

There is also an ever increasing number of families today that are requesting options for the entombment of cremated remains. In addition to traditional cremation niche fronts, this mausoleum also offers “glass front” niches for those who wish to view the beautifully designed urn of their loved one.

The soft tone colored marble and granite crypt and niche fronts throughout the mausoleum along with elegant statuary, stained-glass windows and artwork throughout the structure enhance the religious atmosphere conducive to meditation and prayer. Names are tastefully inscribed on the crypt and niche fronts.

Single, companion and family units are available. These sites are available for both immediate use and affords to others the opportunity to pre-plan for the future. At this time, there are numerous choices of locations at a wide range of pricing. Location within the mausoleum and height of the site will determine the price scale. All pricing includes Endowed Care.

The serenity and artistic splendor of this mausoleum pays tribute to those awaiting the Resurrection and gives a sense of tranquility to family and friends. Experience the peace of mind in knowing your loved one will be cared for in the sacred and dignified surrounding of this beautiful mausoleum. Contact the sales office of Mt. St. Mary, 718-353-1560, for further information.

A Prayer for All Souls Day

**Most Sacred Heart of Jesus,
in Your compassion and Your love,
we entrust to Your merciful Heart
the souls of our beloved departed
who have gone before us in faith.**

**We hope in Your promise
that all who seek You
will find eternal life,
light and peace, forever and ever.**

Amen

*We are taught that death
is not the end,
but a rite of passage
to external life*

Catholic Cemeteries, by its work and example, proclaims
the sacredness of human life, belief in the resurrection and
is a Christian symbol of faith, hope and comfort.
